PROFILE ABOUT THE FOUNDATION

The Foundation was unofficially in operation since 1994 by the founder and Presiding Bishop of Christian Praise International Centre who was catering and supporting young adults through tertiary education or petty trading (artisans).

The Professor Bishop Dr. Annor - Yeboah, who hails from a deprived tribe and family in the Brong Ahafo region was able to complete his primary to tertiary education through the benevolence of friends and family as well as well-wishers. Though things were tough he was able to make it ranking as a professor in Christian education and a philanthropist before he passed away in 2014.

Now his widowed wife and five (5) daughters assisted by renowned Trustees have taken it upon themselves to continue with his philanthropic work, but with your assistance.

We would be most grateful if you and your establishment partner with us to be part of the ANNOR-YEBOAH CAMPAIGN. ***“According to Myles Munroe, true leaders don’t invest in building but invest in people.*”**
